My Next Goal

Thanks to the Dare County Library and the Dare County Library Foundation:

I'm on my way to 1,000 books!

Color one star for each book you read. When your page is full front and back, bring it back in to the library for a prize!

Name: _____

Once all your stars are colored: Hooray! You did it! You're reading your way to a brighter future! Come visit your friends at the library, so we can celebrate your achievement!
