## WHAT AN OPPORTUNITY WE HAVE FOR YOU!

Teachers have requested summer meetings to learn more about educator effectiveness data. To meet this request, we have set up five regionally located sessions entitled, “Educator Effectiveness Data: Policies and Processes for EVAAS, ASW and Student Surveys.”

A team of outstanding NCDPI professionals will deliver up-to-the-minute information that may be used at your schools. ***Registration is limited so early sign-up is encouraged. The registration deadline is July 5, 2016.*** On-site sign-in begins at 8 a.m., and the session starts at 9 a.m. The training will conclude at 4 p.m. Each person will receive .6 CEU credits for attending and participating.

I hope that you will be able to join us for this valuable training opportunity.
