RE: Webinar for Grades 3-8 Mathematics Alternate Test Specifications Confirmation

The North Carolina Department of Public Instruction (NCDPI) is recruiting teachers, who use the Mathematics Extended Content Standards for grades 3–8, to participate in the webinar for Mathematics Alternate Test Specifications Confirmation on Wednesday, October 4, 2017, from 3:30-4:15 p.m.

During this webinar, participants will be introduced to the Extended Content Standards for grades 3–8 mathematics, the initial findings of panelists from the grades 3-8 Mathematics Alternate Test Specifications meeting, and the proposed test specifications for the alternate assessments. Following the webinar, participants will receive a survey to provide feedback on the proposed test specifications.

Please share this information with all grades 3-8 exceptional children teachers in your LEA or charter school. To register for this webinar, or to receive additional information, please follow this link: <https://goo.gl/forms/oNt411fFgDAaSGqC2>.

For additional questions, please email Iris.Irving@dpi.nc.gov.
