2018 CIDD COMMUNITY TALK SERIES presents:

Margaret DeRamus, MS, CCC-SLP

Clinical Assistant Professor
Carolina Institute for Developmental Disabilities

Margaret DeRamus is a speech-language pathologist at CIDD, where she participates in a variety of clinics and research projects. For the last several summers, she has run the Social Smarts summer camp for young children with social communication challenges.

“Teaching Social Skills to Young Children with Social Communication Challenges”

This talk will describe early social development and several strategies to promote social cognition in young children.

Learning objectives:

1. Understand early social development in young children
2. Learn about social challenges that occur in young children
3. Learn about several strategies to use with children with social communication challenges

WEDNESDAY, FEBRUARY 7th

6:30PM – 8:00PM
