Completing the FAFSA is the first step to pay for college. Financial aid campuses around the state are hosting FAFSA Day, an event where families bring their information to get help filling out the FAFSA.

What to do in advance

- Both the student and a parent should create an FSA ID at fsaid.ed.gov.
- Don't forget to bring your 2017 tax information!

Can't come in October? State Employees' Credit Union branches are providing assistance at no charge during the entire month of November. Contact to make an appointment today!
