

Intensive Chinese Language and Culture Program, Summer 2019 Theme: Food and Wellness

Join us for an exciting 15-day intensive, non-residential program to learn Mandarin language and Chinese culture!

The 2019 STARTALK STEAM-Infused Intensive Chinese Summer

Program for 30 high school and college students in the Triad Piedmont areas of North Carolina, providing national standards-based language and culture instruction, preparing the young generation with essential and critical language skills in the 21st century for an ever-changing world. It offers intensive Chinese language learning opportunities for literacy learning and cultural understanding.

No prior Chinese language experience is necessary. The program is FREE for qualified candidates with a \$50 application fee.
