Welcome to the OCS West Regional Huddle! Regional Huddles are full-day workshops for charter school leaders, staff, and board members. We are excited to spend the day digging into many important topics with all of you through informational workshops and panels about charter school governance, finance, serving exceptional children, curriculum and instruction, and much more.

This huddle is possible thanks to the generosity of the team at **Gray Stone Day School**. Many hours of planning and preparation went into this huddle, so **please take a moment to thank our hosts** for their hospitality, expertise, and for providing lunch!
