RE: Read to Achieve (RtA) Twice Retained Students

As PSUs begin to plan and prepare to offer supplemental tutoring for Read to Achieve twice retained students, we are asking that PSUs verify the number of students identified. Due to COVID we anticipate lower numbers of twice retained students this year; however, if you have removed the RtA reading retained label from any student that met mid-year promotion, please add the RtA label back prior to February 12. NCDPI will be pulling twice retained data from PowerSchool on Friday, February 12, 2021 to ensure we have an accurate account of students who qualify for supplemental tutoring.

If you have any questions, please let us know. Thanks!

Sincerely,
