

North Carolina AP Partnership APSI Scholarship Award 2021

Name (First, Last):	
District:	
School:	

Congratulations! You have been awarded a 2021 North Carolina AP Partnership scholarship to attend an AP Summer Institute (APSI) this summer. This scholarship will cover your APSI tuition and lab fees, as well as a daily stipend of \$100. The stipend will be paid directly to your district upon confirmation that you attended the APSI. Your district will then pay you your stipend.

To use your scholarship:

STEP 1: Select an APSI location and workshop from the attached brochure. Contact the AP Institute Director at the host institution you've selected if you have questions about workshop offerings. You can also visit the [AP Central website](#) to locate APSI workshop offerings.

STEP 2: Register with your selected AP Institute. Seats at AP Summer Institutes fill up quickly and having a scholarship award does not guarantee you a seat at any AP Summer Institute. Contact the AP Institute Director if you need assistance with your registration or have questions regarding course offerings.

STEP 3: After registering for your APSI, notify your district APSI contact with the course information (AP Institute location, AP subject, and workshop date). Your district is required to provide your APSI information (your name, contact information, AP Summer Institute location, date and subject) to the North Carolina Partnership office **by April 30th**. This is required in order to arrange payment of your APSI tuition, stipend, and travel allotment. Your tuition fee will be paid by the North Carolina AP Partnership directly to the AP Institute at the conclusion of the workshop. **Your stipend will be paid to your district.**

If you fail to register with the institute by the partnership deadline date (April 30th), your scholarship will be forfeited.

Be sure to provide an email address (and telephone number) that you will check regularly during the summer months. Any updates, changes, and other details regarding your scholarship and APSI registration information will be sent using the information you provide.

Cancellation Policy:

If for any reason you are unable to attend the workshop, you must cancel in writing with the partnership office (NCScholarships@collegeboard.org) AND also with the AP Institute Director **no later than 21 calendar days prior to the workshop start date**. This will allow you to cancel your scholarship without penalty with the partnership office. Please note that AP Institutes have their own cancellation policies and there may be a cost associated such as a penalty for cancellations outside of their posted deadlines.

The AP Summer Institute is a powerful experience. It is an opportunity for you to enrich your teaching through collaboration, conversations, and study. We hope you enjoy the training!

Regards,

The North Carolina AP Partnership
