2020-2021 END OF YEAR DATA SUBMISSION FOR INDICATOR 11

All Public-School Units are responsible for certifying Indicator 11: Child Find in ECATS. The Indicator 11 count captures the percent of students for whom a referral was received, and placement determined within 90 days and is based on data from July 1, 2020 through June 30, 2021. The Indicator 11 Count opens October 1, 2021 and is due by close of business October 29, 2021.

The training video, ECATS Webinar – Indicator 11 Reporting, along with additional reference handouts are posted in each district's ECATS instance on the main page under Resources > Federal Reporting. Please submit any questions or student level data corrections directly to ZenDesk to ensure that problems with data are corrected efficiently.

As a reminder, the delay reason "COVID-19" is still available under the data collection screen and can be used when appropriate. Selecting this delay reason will not result in a higher final percentage rate and will still require districts to follow up with their monitoring consultant to ensure eligibility and placement decisions are made as soon as possible.
