### **Job Description**

#### **K-7 Math/EC Interventionist:**

The position available will be working with both our SWD population as well as supporting math learning loss due to COVID. The Math Interventionist is responsible for supporting student achievement in the area of Mathematics with special attention to Tier II and III instruction. The Interventionist provides individual or small group instruction to students who are struggling academically. This position is also responsible for monitoring, reporting, and communicating student progress and performance to teachers and administrators.

#### **Middle School ELA teacher:**

The ELA teacher at CPCS will be responsible for planning standards-aligned content for 5th-7th grade students at CPCS. The ELA teacher will use Core Knowledge to instruct students in reading and writing (including grammar). Additionally, the ELA teacher will coordinate with team members to find alignment and connection between content areas.
