RE: **mCLASS[®] DIBELS[®] 8 Large Print Materials**

The NC Department of Public Instruction (NCDPI) has worked with Amplify to secure editable versions of mCLASS DIBELS 8 files that a Public School Unit (PSU) may use to convert to large print for students who require it as a part of their Individualized Education Program (IEP) or Section 504 Plan. If a file is converted to large print, the PSU is responsible for providing the converted file back to NCDPI in an editable format (e.g. Word). All converted files will be maintained in a repository and available for future use by any PSU upon request.

If a PSU needs a file, the testing coordinator should contact tonia.parrish@dpi.nc.gov to gain access to the file. Once the file is converted, it may be securely saved by the PSU and an editable copy remitted to tonia.parrish@dpi.nc.gov. When sending to DPI, please use the following naming convention:

Subtest.fontsize.fontstyle.PSU

Example: ORF.20.Arial.Avery

If you have any questions, please contact Tonia Parrish: tonia.parrish@dpi.nc.gov.
