

Exceptional Children Information for Parents

EXCEPTIONAL CHILDREN
NC Department of Public Instruction

Thank you for your support!

We began this listserv in hopes of providing timely information and resources to families and family agencies. What has resulted is a monthly distribution of ideas, information, communication of events and resources. I personally hope this has been a welcoming platform for you to both receive and share important information with other families and organizations.

As I retire on March 31st, I want to thank you for all you do to support and advocated for our most vulnerable and struggling learners. It has been such an honor and a pleasure to lead this work for children and families in NC. I am confident the Office of Exceptional Children will continue this strong communication and interaction with parents as they go about the work of ensuring the implementation of IDEA.

Wishing each of you the very best as this good work continues in NC!

*With kind regards,
Sherry H. Thomas*
