ECU COLLEGE OF ENGINEERING AND TECHNOLOGY

East Carolina University's College of Engineering and Technology presents the first annual

Engineering and Technology Symposium:
Pathways to Enhance K-12 STEM Education

Thursday, August 8, 2024
8:00am-4:00pm
Greenville, NC
ECU Campus

Optional pre-symposium networking on the evening of
Wednesday, August 7. More information to come.

K-12 STEM Educators are invited to a one-day Engineering and Technology Symposium dedicated to connecting higher education with K-12 curricular standards. Through facility tours, workshops, keynotes, and panels, discover innovative methods to integrate real-world applications across all K-12 content areas. Network with educators and ECU College of Engineering and Technology faculty to forge collaborations aimed at enhancing K-12 student preparedness for post-graduation opportunities.

Use the link or QR code below to reserve your seat for this **FREE** event. Breakfast and lunch will be provided.

The deadline to register is May 15, 2024.

Space is limited and tickets will be sent on a first-come, first-serve basis.
For more information, contact Dr. Natalie Aman at amanna17@ecu.edu
