Junior Achievement BOUNDLESS POSSIBILITY

FREE K-12 RESOURCES

EDUCATION RESOURCES

These resources are available to teachers, volunteers and parents for use with all JA programming to extend and enhance the JA experience for students K-12. These resources provide students with additional information, learning opportunities, and experiences that support their understanding of JA's curriculum.

Tentrepreneurship

Junior Achievement \$AVE, USA | Grade K-12

We know it can be tough to speak to or teach your kids about money-management issues. We hope that you find these lessons helpful with those conversations. Visit our JA Program Supplements Site to begin.

JA Connect® Learning Pathways | Grade 6-12

JA's first self-guided student experience features a flexible, modular repository of activities related to work and career readiness. Visit connect.ja.org to begin.

JA Here to Career™ | Grade 6-12

Middle and high school students have an opportunity to engage in career exploration, with a focus on opportunities in their own community. Visit <u>career.ja.org</u> to begin.

JA Inspire® | Grade 6-12

A robust curriculum preparing students for career fairs that is designed to help launch students into their futures: high school, post-secondary education, and careers beyond. Please contact us for more details to begin.

JA Afford Your Future™ | Grade 6-12

By offering step-by-step guidance, users can compare potential combinations of career, education, and funding by creating multiple individualized snapshots, allowing them to make an informed decision to maximize future career earnings, minimize college debt, and ensure their economic empowerment. Visit career.ja.org/ayf to begin.
