

# HONORS LEVEL COURSEWORK PLANNING DAY

Spend the day with your district team to plan how the Honors Policy will be implemented as you begin the 2025-2026 school year. This day will give you the opportunity to step away from your traditional work setting and brainstorm and plan as a team without outside distractions. While this component of the day is not a presentation style, there will be an opportunity for you to ask questions with members of the NCDPI Honors Team.
