Regional Trainings February 2026

Jewish Identity & Antisemitism Today

In this full-day session, educators will **engage in critical conversations** that support the development of safe, inclusive, and respectful school communities. Together, we will

- **explore Jewish identity**
- **examine how antisemitism has evolved over time**
- **consider how misinformation and global conflicts in the Middle East impact K–12 schools today**
- **learn strategies to foster understanding and empathy among students of diverse backgrounds**

The primary audience for the day will be administrators, counselors, and teachers.
