

2026 ELA SCOS Webinar Series 2026-2027

Purpose | Join the NCDPI ELA Team throughout the 2026-27 school year for an exciting webinar series focused on the newly adopted 2026 English Language Arts Standard Course of Study! Each session in this series will spotlight a specific strand of the standards, providing educators with the opportunity to deepen their understanding and prepare for successful implementation beginning in the 2027–28 school year.

During each webinar, participants will

- Gain an overview of the featured strand, including its purpose, structure, and design.
- Explore key resources and unpacking documents to build a deeper understanding of the standards and objectives for that strand.
- Reflect on the instructional shifts needed to support effective teaching and learning aligned to the new standards.

Audience | Whether you are a classroom teacher, instructional coach, school leader, or district support staff, this series will help you build clarity, confidence, and readiness for implementation in the 2027-2028 school year. Webinars are appropriate for a K-12 audience. Come learn, reflect, and plan for the future of ELA instruction together!
