

# WINTER BIRD IDENTIFICATION

AT HALYBURTON PARK!

**JANUARY 22, 2025**

9 A.M. - 3 P.M.

\$10/PARTICIPANT

Coastal North Carolina is home to numerous species of birds, including many that migrate and reside here during winter. Join Andy Fairbanks, with Halyburton Park, to explore the various habitats in the Wilmington area to learn identification tips and tricks while observing **waterfowl, sparrows, songbirds and more!** Participants should meet at Halyburton Park at 8:45 AM.
