

# FREE PROFESSIONAL DEVELOPMENT FOR LEADERSHIP TEAMS:

## Planning for School, Family & Community Partnerships

Would you like to see even greater impacts from your current school improvement initiatives and family engagement practices?

Leadership teams are invited to learn a process for building goal-aligned family and community engagement through application of the Epstein framework of Six Types of Involvement:

Parenting, Communicating, Volunteering, Learning at Home, Decision-Making, & Collaborating with Community.

This work will not be an added initiative; rather, a *value add* for your existing priorities!

### Intended Outcomes:

- Create an Action Team for Partnerships (registered team)
- Learn and apply the Epstein Framework (Six Types of Family Engagement)
- Identify school/district academic, behavioral, & culture of welcoming goals
- Create and implement goal-aligned annual action plans for family & community engagement
- Collaborate with cohort teams for development, implementation and refinement of goals & action plans

### Team Member (Registration) Recommendations:

- School/district administrator(s)
- Teacher(s)
- Counselor
- Parent
- Community member
- Extended-day program representative
- Student
