

ZOOM IN ON EARLY LEARNING!

CONNECT & GROW ND Webinar Series

CONNECT & GROW ND provides virtual opportunities for the early childhood community to interact, learn, and share resources. Each month features a new topic.

NEXT EVENT:

Language & Literacy Through an Observation Lens

Oct. 20, 2022, 7:00-8:00 p.m. (CDT)

This training will focus on language development in young children. How do you observe a child's language development in everyday interactions? An early childhood special educator will share ideas for interactions, open-ended questions, and the importance of having authentic reciprocated conversations during everyday tasks.
