

With the New Meal Patterns that go into effect October 1, 2017, we know it can be hard to determine which food products are #cacfpcreditable. We aim to work with manufacturers to offer an online database of creditable products. Stay tuned as we develop this resource for the entire CACFP Community including providers, centers, Head Start, afterschool meal programs, sponsors, purchasing agents and manufacturers.

## Sample Cycle Menu How do we know if it's creditable?
