National School Lunch Week Celebrations

This year's theme was "Level Up with School Lunch" a campaign to celebrate the benefits of healthy school meals featuring a playful video game-inspired theme.

Top Left: Students from Bismarck Public Schools enjoying their lunch.

Top Right: Local offerings at Bismarck Public School during North Dakota School Lunch Day held on October 11. Local offerings include corn, cucumbers and cherry tomatoes all from ND vendors.

Bottom Left: A new mural just completed in Wing ND, promoting the local agriculture scene.
