

# Virtual Training Workshops

The North Dakota Department of Public Instruction is excited to sponsor two virtual workshops for teachers of Advanced Placement (AP) courses.

## **AP Cross-Curricular Virtual Workshop**

Date: November 21, 2024

Time: 9:00 AM-4:00 PM

Cost: All registration costs are covered by DPI.

This workshop will focus on equipping educators with skills that span multiple AP courses and exams. Participants will explore strategies for teaching for understanding and transfer, gain insights into AP skills and practices, learn how to provide effective practice and feedback, and discover how to leverage AP resources to enhance skill development.

Register for this workshop [here](#). Registration closes November 7, 2024.

## **Developing Quantitative (Scientific and Mathematical) Arguments Virtual Workshop**

Date: January 15, 2025

Time: 9:00 AM-4:00 PM

Cost: All registration costs are covered by DPI.

In this workshop, participants will learn how to help students analyze and interpret quantitative data effectively. Topics will include assessing student abilities to interpret quantitative arguments, identifying common learner misconceptions, utilizing AP Exam rubrics to reinforce skills, and implementing strategies to enhance data analysis and interpretation skills.

Register for this workshop [here](#). Registration closes January 2, 2025.

High school teachers who are teaching dual credit or high school courses in English, social studies, mathematics, science, or computer science are welcome to attend.

If you have questions about these training opportunities, please contact Davonne Eldredge at [deldredge@nd.gov](mailto:deldredge@nd.gov) or (701)328-4525.
