

Family Engagement Professional Development Opportunity

with Dr. Steve Constantino

REGISTER NOW!

At its core, The Five Simple Principles to Engage Every Family Process supports schools and districts in demonstrating progress toward student learning goals through effective and targeted family engagement practice.

Family engagement increases student achievement, but how do schools connect with families who don't participate yet? Educators can easily become frustrated trying to reach the disconnected and often fall back to engaging the already engaged. Can every family be engaged in the learning lives of their children?

Dr. Steve Constantino, known for his experience and sound teaching on family engagement, knows they can and promises far more than easy answers and theory to make it so. His books and professional development will show how to bring about real shifts in culture through process, reflection, and diligent effort. Simple logic models and best practice case studies will reveal how and where family engagement breaks down, and how to create a truly inviting culture for successful community and family partnerships.

The NDDPI is excited to announce we will be hosting this full-day, face-to-face training with Dr. Steve Constantino at the Bismarck Public Schools Career Academy on March 13, 2025. We encourage school or district family engagement teams to attend together, but also accept single registrations. Check out the [Eventbrite registration](#) for more information and to reserve your seat. Space is limited, so don't wait. Register today!
