Green highlighted items: Will be available on that month's food survey
Red highlighted items: Will NOT be available on that month's food survey

Foods ordered in excess by the state will be available through the **excess surveys**
If an item selected on your Annual Survey was not ordered, or is not coming in on the month you planned, you may select from:

- Items available on the excess surveys
- Available processed food items

Quantities are subject to change - any changes will be communicated to the schools
