Recreational Services Funding

The Bureau of Developmental Services announces access to time-limited funding for recreational services and activities that enable people to participate more fully in their communities.

Up to \$600 may be available to individuals who:

- Receive services through the Developmental Disabilities or Acquired Brain Disorder Waivers;
- Are no longer in school; and
- Do not have coverage for the service through Medicaid.

*Funding must be requested between November 18, 2024 and June 1, 2025.
Funds are subject to availability. For more information visit the [BDS web page](#) or contact your Service Coordinator.*
