Concise Explanatory Statement For Rulemaking Adoption:

Findings required for rulemaking adoption:

Findings MUST include:

- Reasons for adopting rule, including any findings otherwise required by law of the agency, and a summary of any independent analysis done by the agency;
- Reasons for any change between the published proposed rule and the final rule; and
- Reasons for not accepting substantive arguments made through public comment.

The rulemaking was undertaken to adopt a new Bear and Cougar Rule, 19.31.11 NMAC, which will become effective April 1, 2024. The current Bear and Cougar Rule will expired on March 31, 2024.

The new rule will include:

Statewide Changes

Allow licensed deer or elk hunters who draw WMA hunts to harvest a bear or cougar during their hunt if the zone is open and they possess a Bear and/or Cougar license.

Bear

- 1) Increase bear harvest limits based on population estimates from new NMDGF research from 2019-2021 in BMZs 1 and 10;
- 2) Adjust BMZs 5, 6, and 7 such that GMU 57 is moved from BMZ 7 into BMZ 5, and GMUs 56 and 58 is moved from BMZ 7 into BMZ 6, thus dissolving BMZ 7 into those zones. Harvest limit allocations from those GMUs in previous BMZ 7 are re-allocated to the new BMZs of which they are a part;
- 3) Increase number of permits for bear draw permit BER-1-104 from 32 permits to 60 permits to increase opportunity. Draw hunters are still subject to the existing harvest limit structure;
- 4) Increase number of permits for bear draw permit BER-1-103 from 5 to 10 permits, in recognition of the Department's acquisition of the LBar property. Draw hunters are subject to the existing harvest limits;
- 5) Move the season start date for BMZs 12 and 13 from September 1st back to August 16th.

Cougar

Adjust harvest limits for CMZ Q based on research studies and statistical modelling efforts.

There have been no changes between the published proposed rule and the final rule. A wide variety of public comments were submitted. It was not possible to incorporate all of the comments into the final rule as many of the comments were mutually exclusive. To view public comments, please visit www.wildlife.state.nm.us/commission/meeting-agendas/ and click on the Hearing Archive tab. The resulting rule was based on what was best for the resource and overall hunter satisfaction.
