

Business Holiday Crime Prevention Tips

- Do not leave back/delivery door propped open for ANY reason.
- Make sure all cameras and alarms are functioning.
- Add extra employees during busy shopping hours.
- Make sure all doors used as entrances and exits have two locking devices per door. All non-customer doors should remain locked at all times.
- Keep very minimal cash in registers.
- Safe access should be for managers only.
- When transporting cash, use buddy system and vary your route.
- Make sure parking lots are well-lit.
- If a robbery occurs, comply with the suspect, give them what they want and be a good witness! Call police and do not put yourself in danger.
- Make sure you are checking ID's for every debit/credit card purchase and matching the card number on the card with the card number that comes on the screen.
- **BE AWARE OF YOUR SURROUNDINGS!**

Call 911 for emergencies and 311 for non-emergencies.
