

AUTO THEFT PREVENTION TIPS

10 things you can do to protect your car:

- ALWAYS** lock your car!
- NEVER** leave keys in your car!
- CLOSE** all car windows!
- NEVER** leave the car running and unattended!
- PARK** in a well-lit area and near an entrance whenever possible!
- TAKE** or **HIDE** your belongings! (*Do **NOT** leave things in open view.*)
- ACTIVATE** the alarm if you have one!
- USE** your garage (*if you have one*)!
- DO NOT** attach a tag with your name and address to your keys!
(*If keys are lost they can then be used to take your vehicle.*)
- TURN** your wheels sharply towards the curb and apply emergency brake when parking on a street.
