

# Help Us Create a Lasting 1 October Memorial

You are invited to follow the work of the 1 October Memorial Committee and participate as we develop a permanent memorial that remembers those who lost their lives and honors the survivors, first responders and everyday heroes who inspired the nation with their bravery, and celebrates the resiliency and compassion of our community.

Soon, we will be sending out surveys and holding public hearings to gather input from anyone interested.

**TO ENSURE YOUR VOICE IS HEARD AND TO FOLLOW THE WORK OF THE 1 OCTOBER MEMORIAL COMMITTEE, YOU SHOULD:**
