

## HPN/SHL COVID-19 At-Home Testing Coverage and Reimbursement

### UPDATED INFORMATION!

*Sam's Club* has now been added to the group of pharmacies where you can obtain up to 8 COVID-19 At-Home testing kits, with no out-of-pocket costs with your HPN/SHL insurance ID cards. Please note, that while UnitedHealthcare (HPN/SHL's parent company) also contracted with Rite Aid pharmacies nationwide, there currently are no Rite Aid pharmacies locally (only in N. NV.)

For all Health Plan of Nevada and Sierra Health and Life plan members, you may now obtain over-the-counter COVID-19 At-Home testing kits in-person at Walmart or Rite Aid pharmacy counters, with no out-of-pocket costs with your insurance ID cards. Up to 8 test kits per member per 30 days are allowed.

You may also go to any other in-store or online retailer to obtain the test kits, but you must first pay for them and then submit your receipt and an HPN/SHL reimbursement form (available online within the links below) for reimbursement. \$12 per test kit is the maximum allowance for reimbursement through HPN/SHL. If you have an online account with HPN/SHL, you may also file for your reimbursement within their Online Member Centers.

Please use the following links to see more detailed information on the HPN/SHL websites (you do not need to have an online account to view this information):
