City Manager

On April 23, 2026, the city of Las Vegas and its employees will participate in the annual Take a Child to Work Day sponsored by Junior Achievement.

City of Las Vegas and its employees invite their sons, daughters, relatives, friends, and other sponsored children between the ages of 8 and 18 to attend. The children will be participating in interactive learning activities, which will guide and develop them toward a future where they can participate fully in work, family, and community.

Each year a theme is chosen which reflects the options every youth and adult has to make the world a better place on a personal level, in the family, in the community, in the country, and in the whole world through better choices of action. The 2026 theme, "Your City, Your Future" instills a mindset that children can choose their own future.

It is in the intent that the employees of the city of Las Vegas will serve as role models and will inspire the children to strive to attain their full potential. Moreover, children will discover how courses in STEM, English, mathematics, and business can better prepare them for a wide variety of jobs and will become aware of the skills needed for the future world of work.

Parent/Guardian/Sponsor, please fill out the bottom of this form and have the participating student take it to their school site administrator to sign. You may keep the paper or it may remain at the school.
