Public Notice

Federal Fiscal Year (FFY) 2020-2024 Transportation Improvement Program (TIP) Amendment #20-05

June 17, 2022

The Dutchess County Transportation Council (DCTC) proposes an amendment to its [Federal Fiscal Year \(FFY\) 2020-2024 Transportation Improvement Program \(TIP\)](#): the five-year capital program that assigns federal funds to transportation projects located in Dutchess County. We periodically update the TIP to add new projects, remove existing projects, or change a project's cost, schedule, or scope. We classify significant changes as amendments that require a 15-day public comment period prior to action.

Amendment #20-05 increases federal funding for an existing highway project in the City of Beacon and a bridge project in the Town of East Fishkill, while also adding a new bridge project in the Town of Red Hook. Please see the attached TIP project listing for more information.

About the DCTC: Established in 1982, the DCTC serves as the designated Metropolitan Planning Organization (MPO) for Dutchess County. Federal law requires that all Urbanized Areas (U.S. Census-defined metropolitan areas with over 50,000 people) be represented by an MPO, which is responsible for ensuring that Federal transportation dollars (highway and transit) are committed through a locally driven, comprehensive planning process. The DCTC includes representatives from local municipalities, the New York State Department of Transportation, and the Metropolitan Transportation Authority.
