Flushing Notice: Staatsburg Water System

The Dutchess County Water and Wastewater Authority announced today that the water distribution system in the Staatsburg Water System will be flushed as part of DCWWA's water quality maintenance program.

Hydrants/mains will be flushed during the following period:

Period Start Wednesday, July 20, 2022

Period End Friday, July 22, 2022

Customers can expect flushing of water mains to take place between the hours of 8:00 a.m. and 4:00 p.m.

Flushing of the distribution system is done periodically to improve conditions within the pipes. While the pipes are being flushed, customers should expect turbidity and discoloration of their water. Customers are also advised to not run the water for 2-3 hours after flushing and to avoid washing clothes on that day.

The following streets/locations will be affected:

Baker St	Route 9 between Mulford Ave. & Old Post Rd.
Belvedere Rd	South Mill Rd
Cedar St	West Elm Ave.
Grove St	
High St	
Hillcrest Ter	
Mills Cross Rd	
Norrie State Park Entrance	
Old Post Rd	
Pond View Ct	
River Ridge at Hyde Park	

For more information on system flushing, customers can contact the Dutchess County Water and Wastewater Authority at 845-486-3601. Sign up for email notifications at www.dcwwa.org on the System Alerts and Advisories page. If you would like to be notified of Alerts and Advisories via our Phone Call Emergency Notification System, send your name, phone number, look-up number from your bill, and the name of your water system to: DCWWA@dutchessny.gov
