

Dear Water Customer:

On Tuesday, 12/13/2022 the water will be turned off from 9:00A.M. to 3:00PM to perform work in your area. We will be replacing the meter in the Master Meter Pit on Legion Rd.. The estimated outage time is 4 – 6 hours.

This is the only Entry Point for the water system from the Town of Poughkeepsie so this shut-down will affect the entire Arbors Water System which includes the following:

Arbors Condominium Complex  
20 Big Meadow Lane  
2 Hook Rd.  
2 Legion Rd.  
5 Legion Rd.  
6 Legion Rd.  
14 Legion Rd.

Please prepare for this shut down by drawing some water for your use during this period.

When service is restored, the water may be somewhat discolored or cloudy for a brief period of time.

Thank you for your cooperation during this inconvenience.
