FLUSHING NOTICE: Dalton Farms Water System

The Dutchess County Water and Wastewater Authority announced today that the water distribution system in the: **Dalton Farms Water System** will be flushed according to the below schedule:

Hydrants/mains will be flushed during the following period:

Period Start	Tuesday, June 4, 2024
Period End	Thursday, June 6, 2024

Customers can expect flushing of water mains to take place between the hours of 8:00 a.m. and 4:00 p.m. Flushing of the distribution system is done periodically to improve conditions within the pipes. While the pipes are being flushed, customers may experience turbidity and discoloration of their water. Customers are also advised not to run the water for 2-3 hours after flushing and to avoid washing clothes on that day.

Customers can contact the Dutchess County Water and Wastewater Authority at 845-486-3601. Sign up for email notifications at www.dcwwa.org on the System Alerts and Advisories page. If you would like to be notified of Alerts and Advisories via our Phone Call Emergency Notification System, send your name, phone number, look-up number from your bill, and the name of your water system to: DCWWA@dutchessny.gov
