

2014 Earth Day

# K-12 Student Poster Competition

Represent your school in  
both creativity and  
sustainability at  
NYSP2I's K-12 Student  
Poster Competition!

**Design a poster describing your school's  
past and present sustainability efforts  
and their effect on the environment.**

Open to students in grades K-12.  
Multiple entries allowed per district; one entry per school.

To participate, applications must be received  
by 3/7/14. Posters due: 4/8/14.

*Winners (1 per grade range K-4, 5-8, & 9-12) will be announced 4/22/14 at the  
Earth Day Event and Student Competition Exhibition at RIT – an exciting  
and educational morning of activities for all ages. Event is open  
to the public; friends and family can come to view your poster  
on display. Finalists will be invited to attend final judging  
and awards luncheon during the event.*
