

## **Supportive Housing Program Awards**

*In February 2025, the Ohio Department of Development announced \$10.6 million in grants through the Supportive Housing Program to help 32 nonprofit and local government agencies provide supportive services and housing to individuals and families experiencing homelessness. These awards will allow 12 agencies to operate 15 transitional housing programs and 22 agencies to operate 42 permanent supportive housing programs over a two-year period. Short summaries of each grant can be found below.*

*These summaries were compiled by the Department of Development. Those with detailed questions about each award should contact the entity receiving the grant. Those with general questions about the Supportive Housing Program should contact Mason Waldvogel, deputy chief of media relations for the Department of Development, at [mason.waldvogel@development.ohio.gov](mailto:mason.waldvogel@development.ohio.gov).*
