October 6-8, 2021

## 2021 Virtual Summit Agenda Released

The Ohio School Safety Center is excited to release this year's summit agenda. The schedule is packed with experts across the various school safety disciplines including physical security, emergency management, mental health, school climate, suicide prevention, cyber safety, transportation, and threat assessment.

Private Security can benefit from presentation topics such as: school reunification, emergency management planning & tests, school transportation safety, designing schools with safety in mind, de-escalation of potential safety issues, how to craft a memorandum of understanding for a school resource officer program, trauma informed drills, behavioral threat assessment, collaborative responses within rural communities, drug trends and packaging identification, comprehensive school safety, community partnerships, tip lines, suicide prevention, and so much more!

**Preview the agenda [here](#) or below!**

If you haven't registered for the event yet, there is still time. **If you can't attend the event live next week, you can still access the content on demand after live event stage is over, but only if you are registered.**

Click the following link to get started: <https://ohioschoolsafetycenter.ohio.gov/2021summit>

This event is **free** and open to the public. Additional details about the summit can be found [here](#).
