

ELEVATE TRANSITION

A Doctoral Leadership Consortium

Fully Funded Doctoral
Program Concentrated on
Special Education Transition

ELEVATE Transition: Equipping Learning, Empowering Vision, Achieving Transitions, & Engaging Families

The ELEVATE Transition Doctoral Fellowship program will develop special education **scholars** with expertise in transition-related services and research, equipping them to train future educators in culturally responsive practices to enhance outcomes for students with disabilities, especially those with high-intensity needs.

Fellowship Information:

- \$30K+ yearly stipend
- Fully funded tuition & fees
- Onboarding package: relocation funds, laptop, & more
- Yearly travel & research funds
- Additional individualized financial supports
- Personalized mentorship & advising with transition experts

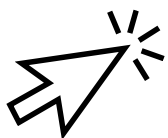

Eligibility:

- Commit to an **in-person** full-time doctoral program at 1 of 6 top-ranked universities
- 3 or more years of relevant teaching experience
- Master's degree preferred

Consortium Partners:

Applications due 12/01/24
