

Dream Day 2019

Presented by The DreamGirls Initiative and Phi Sigma Rho

The DreamGirls Initiative is a nonprofit organization committed to inspiring young women in the fields of Science, Technology, Engineering, and Math (STEM) by exposing them to female role models.

What? Dream Day 2019 is a free one day workshop showcasing activities scientists and engineers do every day in their careers

- Find out if it's "magic" or chemistry with engineers from **Procter & Gamble**.
- Learn about genetic sequencing with genetic counselors from **Tri-Health**.
- Discover the world of engineering with faculty from the **University of Cincinnati**
- Explore the world of virtual reality with engineers from **Siemens**.
- Create your own flying machines with engineers from **GE Aviation**.
- Make things run smoother with industrial engineers from **RA Jones and General Mills**.
- "Like" The DreamGirls Initiative on Facebook to find out more!

When? Saturday, November 16, 2019 10:00 a.m. – 1:30 p.m.

Where? University of Cincinnati, McMicken Hall 127
2700 Campus Way
Cincinnati, OH 45219

Who? Registration is open to all girls in 6th through 8th grade
The workshop is free, however, registration is required
