

# AMITY ELEMENTARY PHOTO DAY

THURSDAY  
SEPTEMBER 21ST

As school begins, picture day is right around the corner. We at Schoolhouse Photos are so excited to be partnering with your school again. We want to make sure that picture day is as easy and simple for everyone as possible. Our team is a fun and experienced group of local photographers who are committed to providing awesome photos as well as person to person customer service for every single order.

**Here are a few need-to-know things for your upcoming photo day!**

## What do you need to do for photo day?

Simply make sure your child is dressed and ready with a smile! That's it, no more order forms or paper envelopes. No more buying photos before you have viewed them!

## How will I see my photos?

Before photo day at your school, you will get a few reminder emails from us. Once photos are ready to view (a few days after photo day), you will receive another email with a secure **Access Code**. Each student has their own unique code. This will be used to view your student's photos and purchase them.

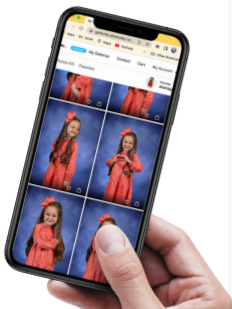

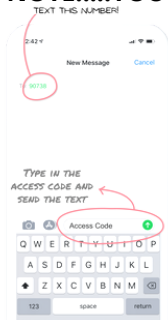

## I can't find my access code and picture day has already passed?

If you are concerned that you didn't receive an email and picture day has already passed, or perhaps that email was lost, please feel free to contact us directly and we will provide you with your student's access code. When this occurs, for safety reasons, we will contact the school prior to giving out access codes.

## Where do I enter this access code?

You can follow this link **my.photoday.com** or text your access code to **90738**. You can order from a desktop or directly from your phone and you will be directed to your photos to view and order.

**NOTE.....YOU WILL NEED TO "HEART" YOUR FAVORITES BEFORE ORDERING!**

For questions or help ordering, please contact us at Schoolhouse Photos
