

On May 6, 2022, Ohio Governor Mike DeWine announced \$2.1 million in H2Ohio assistance to help 48 public water systems and communities identify and map lead pipes. The below list of grant award winners was compiled by the Ohio Environmental Protection Agency. Members of the media with questions about specific projects should contact the entity receiving the award or Heidi Griesmer, Ohio EPA Deputy Director for Communication, at 614-644-2782.
