Total					\$86,920,433

In May 2024, Ohio Governor Mike DeWine and Ohio Department of Transportation (ODOT) Director Jack Marchbanks announced more than \$86 million in traffic safety grants. The list above was compiled by ODOT. Those with overall questions about the Ohio Traffic Safety Improvement Program should contact

Matt Bruning at 614-512-5121 or matt.bruning@dot.ohio.gov. Those with questions about a specific construction project should contact the entity receiving the grant award.
