- The Franklin County Veterans Service Commission will talk about all the many ways they help Veterans, and how Veterans can get connected to Service Commission.
- Star Behavioral Health will tell us about Military and Veteran culture, and how being a part of this culture affects how Veterans experience mental health care.
- VA Community Care and Enrollment will speak on how Veterans can receive care with us and in the community.
- The new COMPACT Act will be discussed, and we'll learn how it enables qualifying Veterans to receive suicide care in the community.
