*The day will include internationally known  
and local experts presenting on topics  
including:*

- Actionable items that communities can implement to prevent suicide;
- Transforming the narrative and culture around men's mental health;
- Reimagining suicide care to effectively decrease emotional pain and distress that can lead to suicidal thoughts or behaviors;
- A unique "Engage and Exchange: A Fireside Chat with the Doctors" session;
- And more!

***EVERYONE is encouraged to attend!  
Whether you're in healthcare, behavioral  
health, education, business, a first  
responder, or part of the community – we  
all have a vital role in preventing suicide.***
