

# Substance Use Disorder & Caregiver Resilience

We invite you to a Community Conference funded through Direct Opioid Settlement grant funds provided by Montgomery County. This event is dedicated to advancing knowledge and collaboration in the fields of Substance Use Disorder (SUD) and Mental Health (MH). Learn from experts in their fields, network with community organizations who provide SUD & MH support services and programs, and gain valuable insight that will enhance your ability to create a realistic and sustainable self-care routine to enhance resilience and prevent burnout.
