13th Annual Trauma-Informed Summit

May 20-21, 2026
Hilton Columbus Polaris Hotel
8700 Lyra Drive, Columbus, OH 43230

The **13th Annual Trauma-Informed Summit**, hosted by the Ohio Children's Alliance in partnership with the Ohio Department of Behavioral Health, convenes professionals and community leaders who are working to strengthen resilience in workplaces, systems, and communities across Ohio.

This year's program is intentionally designed to move beyond foundational concepts, offering practical, real-world strategies you can bring back and apply right away in your organization and community.

Reserve your spot today — registration is still open!

Explore the Agenda

Over two days, the Summit will feature engaging keynote presentations, interactive breakout sessions, and cross-sector dialogue aimed at deepening knowledge and strengthening collective impact.

Day 1: Wednesday, May 20th

Begin the Summit with a powerful keynote and sessions focused on trauma, resilience, and leadership's role in creating environments where people can thrive.

- Opening keynote, **Dr. Benjamin Miller, PsyD**, to inspire and ground your learning.
- Foundational **trauma-informed frameworks**.
- **Workforce resilience and well-being strategies**.
- Opportunities to **connect with peers across systems**.

Day 2: Thursday, May 21st

Continue building momentum with sessions focused on turning principles into practice.

- **Practical tools** for organizational change.
- Breakout **sessions tailored to your role and sector**.
- **Cross-sector collaboration and systems-building**.

- Closing keynote, **Derek Clark**, to energize your next steps.

What You'll Take Away

The Summit is designed so you leave not only informed, but ready to act.

Practical, Actionable Tools

Gain strategies you can immediately implement within your organization

Relevant Learning for Your Role

Sessions designed for leaders, HR professionals, and direct service providers across sectors.

Stronger Professional Connections

Engage with colleagues across behavioral health, child welfare, education, criminal justice, and beyond.

Each session is carefully developed to support trauma-informed practice, strengthen staff well-being and retention, reduce burnout, and help build more responsive and resilient systems that support individuals and communities.
