

Mental Health Awareness Event

May 28 | 5-7 p.m.

The Ohio State University at Lima
4240 Campus Drive, Lima, Ohio

Come join us for a Mental Health Scavenger Hunt at Ohio State Lima on May 28, 2026, from 5-7 p.m. for a chance to win a prize. For adults and youth alike. Take a walk around the Quad to learn more about community agencies that provide behavioral health services and mental wellness activities in the Allen, Auglaize and Hardin county areas. After you're done with the hunt, turn in your scavenger sheet for an opportunity for a prize.

In the event of rain we would move activity to the Cook Hall Gymnasium.
